How to get to Hunza Ecolodge

Transport as a group to Hunza Ecolodge

On our website you can find more information about how to get here, <http://www.hunza-ecolodge.com/hunza-contact.html>

For a group we would suggest renting at least one van for 9 people in Budapest, unless you come with your own transport. All baggage, driver and children fit into the van, and shopping can be made during the journey. There is also the option of public transport from Budapest by train to Godisa (this takes 3 hours), this is a 3 minute drive from Hunza Ecolodge.

Thank you very much for choosing us!

If you have any questions or if you require additional information, please do not hesitate to contact us.

We look forward to working with you to create an unforgettable event and will send you an offer based on your requests.
